

The Document Accessibility Story

ADA

Prohibits discrimination against people with disabilities in employment, transportation, public accommodation, communications and government activities.

8.1 million people 15 and older with a vision difficulty as of 2010.

Assistive technology is vital to more than a third of people with disabilities being able to take care of themselves at home.

Section 508

A broad sweeping law that covers and influences Information Technology Accessibility.

Any web, document form or communication must be accessible.

A refresh will be set into law in the fourth quarter of 2015.

Anyone doing business with the US Federal Government will and must comply with the latest Section 508 refresh.
